Von Ragnar Jnasson : Snowblind (Dark Iceland) before purchasing it in order to gage whether or not it would be worth my time, and all praised Snowblind (Dark Iceland):

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich. Great Story Von Niqui This book was very atmospheric and I felt I was up above the Arctic circle. The tension built up

gradually and I can't wait for the next one to be translated.

Kurzbeschreibung Siglufjrur: an idyllically quiet fishing village in Northern Iceland, where no one locks their doors - accessible only via a small mountain tunnel. Ari Thr Arason: a rookie policeman on his first posting, far from his girlfriend in Reykjavik - with a past that he's unable to leave behind. When a young woman is found lying half-naked in the snow, bleeding and unconscious, and a highly esteemed, elderly writer falls to his death in the local theatre, Ari is dragged straight into the heart of a community where he can trust no one, and secrets and lies are a way of life. An avalanche and unremitting snowstorms close the mountain pass, and the 24-hour darkness threatens to push Ari over the edge, as curtains begin to twitch, and his investigation becomes increasingly complex, chilling and personal. Past plays tag with the present and the claustrophobic tension mounts, while Ari is thrust ever deeper into his own darkness - blinded by snow, and with a killer on the loose. Taut and terrifying, *Snowblind* is a startling debut from an extraordinary new talent, taking Nordic Noir to soaring new heights. 'Is King Arnaldur looking to his laurels? There is a young pretender beaver away, his eye on the crown: Ragnar Jnasson' --Barry Forshaw

Pressestimmen 'Is King Arnaldur [Indridason] looking to his laurels? There is a young pretender beaver away, his eye on the crown: Ragnar Jonasson - ' Barry Forshaw
