The fact that they are encountering problems in their marriage showed that life is not always rosy after the wedding like in most romance novels. Don't get

me wrong--I'm a romance novel junkie, but I found Ms. Miller's novel about a married couple and the struggles they face in making the marriage work refreshing. As for the review mentioning the "back" and "forth" plot twists, I enjoyed seeing that their problems couldn't be solved easily. I highly recommend this book!0 von 0 Kunden fanden die folgende Rezension hilfreich. Good Quick readVon Ein KundeThis was a good story, but it really goes back forth too much. One mintue they are together one mintue ther're not. It's okay, I'm glad it was only about 250 pgs.
