KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. tolle GeschichteVon WiccaAls Alanna im ersten Teil einen Anruf von Ihrem Ex Ollie erhlt, ist sie neugierig genug, zu ihm zur Forschungsstation ins ewige Eis zu fliegen. Dort erfahrt Sie von einer unglaublichen Entdeckung, der eine

unglaubliche Zerstörungswut eines grenwahnsinnigen Irren auf dem Fue folgt.Nach der Zerstörung der Kommunikationsmöglichkeiten schickt die Firma, die die Forschungsstation betreibt, einen Aufrumer und sein Team um die Bedrohung und alle potenziell infizierten berlebenden zu liquidieren. Ich bin begeistert von der Geschichte, da nicht alles ausschlielich "happy" ist und bin schon sehr gespannt auf den nechsten Teil.

KurzbeschreibungArctic Station is dark and Alanna MacCready is freezing. She was lured into a trap at the frigid edge of the world. Her enemy has cut off power and communications. No one is coming to help and there is no escape. She and the bears are on their own against an ancient enemy.The Company, the faceless, calculating organization that runs Arctic Station, knows something has gone terribly wrong. Scrambling to prevent the worldwide exposure of a potentially deadly virus, they dispatch a team to cover up the incident. Survivors are expendable.Now the clock is ticking and the temperature is dropping. Alanna will have to count on sexy polar bear Alpha Liam to help her heat things up. And theyll both have to count on their friends more than ever as they face both this new threat and a very old one.KurzbeschreibungArctic Station is dark and Alanna MacCready is freezing.
