LORENZEmma lost her vision and her memory in an accident after witnessing her brothers murder. She was running away from the killers and right into the path of Rev. Colin. Emma survived the

accident but Rev. Colin felt responsible for Emma because he was the one who had knocked her down. Rev. Colin felt guilty and decided to take Emma under his wings. Together they decided to find the killers before they find her and kill her. The plot and the story line is good but I'm disappointed with the character of Rev. Colin. As a man of God, I felt that he should be stronger in his faith in God. And the constant feeling of guilt just because he knocked Emma down which turned out to be a good thing otherwise the killers would have got to her and his constant worry over her. Emma has a stronger character, growing up with her parents was a trauma and there's a love-hate relationship with them. It has made her a hard woman, afraid of relationships. But in the end she was willing to learn how to trust God and forgive her parents. Everything is very superficial, it should have more depth into the main characters.

Kurzbeschreibung On a tragic night, photographer Emma St. James lost not only her vision, but her memory. The police believed she'd witnessed her beloved brother's murder, but her mind refused to remember. She was lost and alone, until a stranger reached out with a touch she couldn't see. Rev. Colin Fitzpatrick would never forget the moment he saw Emma's lovely face just seconds before she ran out in front of his car. She'd been fleeing something or someone but she was his responsibility now. But with the killers desperate to find Emma, it would take divine intervention to keep them both alive.
