Von Tim Sandlin : Social Blunders: A Novel (GroVont series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Social Blunders: A Novel (GroVont series):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. I love Tim Sandlin.Von Ein KundeSocial Blunders was the first book I had read by Sandlin. This book made me want to read everything else by him. Sandlin is one of the funniest writers alive. His characters embody that small wacky part of us that we never actually live out. The man must keep writing. (if you send him a postcard, he will send you one back

that's personally written)0 von 0 Kunden fanden die folgende Rezension hilfreich. The humor that I look for in a book!
Von Michelle NewmanI picked this one out of the blue one day at a bookstore and it sat on my shelf for about a month till I found the time to read it which was on a plane ride to Gothenburg, Sweden. I sat up all night reading it and basically laughed so hard that I fell out of my seat! I read it again that same summer on a beach in Greece. I ended up reading it mostly aloud to my finace on the beach. He recommends the book also. Gotta love family dysfunction

Von Ein KundeSocial Blunders was the first Sandlin book I read and it was a great introduction to this talented author. Though the plot and characters are a bit far from reality, Sandlin's character Sam Callahan's honest appraisals of life and himself, as well as his pathetic yet real sense of self pity allow you to laugh with him even in his lowest moments.

Kurzbeschreibung"Wild , wonderful, and wickedly funny...Highly recommended." -Library Journal One of five men could be Sam Callahan's father. Is knowing the truth worth the havoc he'll cause trying to find out?Laid low by divorce-the result of an endless stream of poor choices-Sam decides it's time he met his dad. But his quest to meet the men and discover the truth does more than just shake up the five likely suspects-it pretty much napalms the lives of everyone he meets. A comic novel of dysfunctional family and raucous debauchery, fans of Nick Hornby, Jack Kerouac, Tom Robbins, Larry McMurtry, Joseph Heller, Kurt Vonnegut, Carl Hiaasen will appreciate Sandlin's humor and Sam's journey. Other books in Tim Sandlin's GroVant Trilogy: Skipped Parts, Book 1 Sorrow Floats, Book 2 Social Blunders, Book 3Lydia, Book 4What readers are saying about Social Blunders:"one of the funniest writers alive.""I am a huge fan of Nick Hornby and Richard Russo, and Tim Sandlin belongs in their club.""Besides being hilarious and lewd (a very good start), the novel is quite touching.""Sandlin's narrative voice combines the absurdity of Tom Robbins, the pithy social observation of Douglas Coupland, the male sexual wanderlust of Phillip Roth.""Rollicking raunchy raucous debauchurous dysfunctional good time fun-- with genuine heart and emotion mixed in for good measure""absolutely hysterical and touching. I haven't looked at treadmills the same way since!"What reviewers are saying about Social Blunders:"A story of grand faux pas and dazzling dysfunction...a wildly satirical look at the absurdities of modern life." -The New York Times Book "Ribald... comic and bawdy...oddly endearing...an effective blend of flippancy and compassion." -Publishers Weekly"Tim Sandlin only gets better. Social Blunders is an affecting book...It is fiction to be savored." -Larry McMurtry"A weird, funny, raunchy novel that veers wildly from pathos to slapstick and back again, and it's surprisingly effective." -BooklistWhat everyone is saying about Tim Sandlin:"Tim Sandlin's stuff is as tight and funny as anyone doing this comedy novel thing." -Christopher Moore "His prose, his characters, all amazing.""A story of grand faux pas and dazzling dysfunction...a wildly satirical look at the absurdities of modern life." -The New York Times Book
