Unschuld vom LandeVon GretaEmily will ihren Vater retten indem sie das geschuldete Geld verdient. Sie verlsst sich auf den Freund ihres Vaters, der einen Verkauf ihrer Jungfrulichkeit arrangiert. Im Club Siren wird es dann

interessant. Emily lernt dort die Damen kennen und den Besitzer, der ihr noch so einiges beibringen muss.

Kurzbeschreibung How far would you go to save your loved ones? Emily's life is small and uninteresting. Living on her family's farm outside of a small town, she spends her days helping out around the house and daydreaming about motorcycle-riding Markus Kain, her father's bad boy friend. When Markus shows up on her doorstep with some troubling news, her life is turned upside-down. Emily's father owes some shady people more money than he can possibly pay, and it would be very, very bad for him to miss a payment... Emily has to earn enough before the deadline to save her family... and there's only one way for her to go about it. Now Emily's whisked off to the luxurious Club Siren, visited by only the most powerful and influential men-- and all of them want to bid for her innocence. With only two weeks to flirt and tease her bidding war higher and higher, the stakes are steep. Will Emily be able to navigate a high-rolling life of men and debauchery, or will she succumb to backstabbing and double-crossing? Can she step up to the challenge, or will it eat her alive? More importantly, will Markus still be there for her, or is suave club owner Lysander interested in her for more than just business...?
