Book 3}-A THRILLING SUSPENSEFUL ROMANTIC STORY. I so love standalone series. It is exciting getting to know the personalities of the characters and their back stories. The characters are powerful, sultry, their personas unique, and full of unexpected surprises. This story focuses on; REN, a powerful, traffic-stopping bear-shifter, ex-soldier, and member of the Glowstone Guardians; RACHEL, a curvaceous, audacious, flaming red-headed human beauty. What you'll find in this story; a remarkably cast of impressive and engaging characters, spectacular story-line, picturesque and powerful vivid scene descriptions, superb banter, gripping suspense, horrific danger, tear-jerking moments, pent-up rage, action packed, camaraderie, a secret revealed, heart-pounding sensual romance, and a marvelous conclusion leaving you content and wanting more. Rens time as a soldier ended in a devastating manner, and since that time he has not been able to shift on his own. When he meets Rachel at the town coffee shop his bear side comes to attention, leaving Ren in awe. When the two learn that another shifter is stalking them, Rens protective instincts take over and he brings Rachel to the Glowstone camp. Pent-up rage catapults the stalker into locating his prey as he believes Rachel belongs to him. WOW/INCREDIBLE-fast paced well written impressive read by a truly gifted author. Rens back story is astounding, and the characters are certainly praise-worthy. The spine-tingling suspense and hair-raising action keep you glued to the story from start to finish. I so love the camaraderie between all the characters and that the women are courageous. The romance is steamy and you know the chemistry between Ren and Rachel is real. This was a most electrifying read, and I relished it. I look forward to reading the next book in this exciting series. If you treasure shifter romance this is certainly a terrific book for your library. In the world of shifter romance the possibilities are endless and always fascinating. Without reservations I recommend this book.
