Von Dixie Lynn Dwyer : Soldiers of Pearl 1: Invasion of Hearts (Siren Publishing Menage Everlasting) before purchasing it in order to gage whether or not it would be worth my time, and all praised Soldiers of Pearl 1: Invasion of Hearts (Siren Publishing Menage Everlasting):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Okay!Von CAIch persnlich finde das Buch okay, aber nicht berragend. Es gibt andere Bcher von dieser Autorin, die

besser und netter geschrieben sind. Es geht um mehrere ehemaligen Soldaten, die versuchen ihr Glück mit einer Frau zu finden, Irrungen und Verwirrungen, das bliche eben. Wie gesagt es gibt bessere Bücher,liebenswerter geschrieben, auch von dieser Autorin.,

Kurzbeschreibung[Siren Menage Everlasting: Erotic Menage Romance, M/F/M/M/M, spanking, HEA] Arabella and her family are on the run. Mother, sister, daughter, aunt, bread-winner, and Arabella is getting burnt out. She's tired of showing off her body to get better tips, tired of using her martial arts skills to fend off aggressive men, and she's tired of always looking over her shoulder and having nothing to look forward to, and is barely surviving. She's got a niece and nephew, a sister and mom to feed, protection to provide, and a leadership role that is taking its toll. A small inquiry, some helpful persistent women, the compassion of four retired military men, and a town filled with protectors, Arabella may just be able to save her family after all. Finding a second chance at a real life was never in the plan. Falling in love with four men who represent practically everything she's been running from could be resolution to her own demise. But only if she can trust them enough to let them. ** A Siren Erotic Romance
